

Kennedy Early Childhood Center/Elementary Center Parent Pick-Up and Drop-Off Procedures

Parent Drop-Off

The drop-off for students attending the Kennedy Early Childhood Center (Grades K, 1, 2) and the Elementary Center (Grades 3, 4, 5) will be in the parking lot located between the playground and the front of the high school. Traffic will enter through Church Street and proceed to the parking lot located at the first right.

The parking lot will be one way traffic.

Parents can either park and walk their child to the crossing guard to cross to the schools or pull up to the chained area and drop their child off (kiss and go only).

Traffic will exit through Church Street or through the parking lot around the back of the High School to Meade Street.

For safety reasons, NO parent drop-off or parking will be permitted in the traffic loop (Noble Street Entrance) in front of the High School (Flag Pole Area). This area is reserved for Special Needs Vehicle drop-off and emergency vehicles.

There will be no parent drop-off in front of the Elementary Center Main Entrance on Union Street and no parking in the traffic loop in front of the school. This area is reserved for school bus drop-off only. We are asking parent to please stay clear of this area during student drop-off times.

Parents may drop off their student(s) starting at 8:05AM until 8:25 AM.

Parent Pick-Up

Students who are walkers or picked up by parents will be dismissed starting at 2:55 PM.

The pick-up for students attending the Kennedy Early Childhood Center (Grades K, 1, 2) and the Elementary Center (Grades 3, 4, 5) will be in the parking lot located between the playground and the front of the high school. Traffic will enter through Church Street and proceed to the parking lot located at the first right.

The parking lot will be one way traffic.

Parents of students in the Kennedy Early Childhood Center must park and must wait outside the café doors and they will be checked out individually by faculty. Elementary Center parents should meet their children as usual by the doors on the Kennedy Side of the Elementary Center.

Traffic will exit through Church Street or through the parking lot around the back of the High School to Meade Street.

For safety reasons, NO parent pick-up or parking will be permitted in the traffic loop (Noble Street Entrance) in front of the High School (Flag Pole Area). This area is reserved for Special Needs Vehicle pick-up and emergency vehicles.

There will be no parent pick-up in front of the Elementary Center Main Entrance on Union Street and no parking in the traffic loop in front of the school. This area is reserved for school bus pick-up only. We are asking parent to please stay clear of this area during student pick-up times.

There will be no parent pick-up in front of the Elementary Center Main Entrance on Union Street and no parking in the traffic loop in front of the school. This area is reserved for school bus pick-up only. We are asking parent to please stay clear of this area during student pick-up times. **Finally, we encourage as many students as possibly to ride the bus to and from school to alleviate traffic congestion on campus! Thank you for your patience and anticipated cooperation the first few weeks of school.**
