

Greater Nanticoke Area School District Announces
Registration for Kindergarten

The Greater Nanticoke Area School District will begin to conduct Kindergarten registration for the 2021-2022 school term. Registrations for the 2021-2022 school term will be May 1, 2021 through May 14, 2021. The following documents are required:

- Birth Certificate
- Vaccination records (these may be faxed to the district office at 570-740-2757)
- 2 Proofs of Residency
- Any legal documents (custody agreements, foster records, protection from abuse orders, etc.)
- Parent/Guardian Picture ID

Parents who currently have children enrolled in the district must use the Skyward portal on the district web page (www.gnasd.com). Once you log into your Skyward Family Access, you will select the tab “New Student Online Enrollment”. Complete all steps and upload all required documents.

Parents who do not have children enrolled in the district and are registering their child for the first time must go to the district web page (www.gnasd.com) and select the tab for New Student Online Enrollment – 2021-2022 Registration. Once you complete a request for an account, you will receive an email with your account information. You may then refer to the steps above and proceed through the district Skyward Family Access portal to complete your registration.

In order to be eligible for Kindergarten for the 2021-2022 school term, a child must be five (5) years old on or before September 1, 2021.

Registration for new first grade students will also be accepted at this time. In order to be eligible for first grade in the fall, a child must be six (6) years of age on or before September 1, 2021. Parents must provide the same information listed above for registration.

Email Mrs. Nancy Butzek, Registrar at butzekn@gnasd.com for any further information.
