

March 17th, 2011

Congratulations to the winners of the Regional Middle School Computer Fair competition. Regional competition was held on Wednesday, March 16th on the campus of the Wilkes-Barre Area Career & Technical Center, and included projects from more than 130 students representing seven Luzerne County schools. Winners from the regional competition will represent the Luzerne Intermediate Unit at the State Middle School Computer Fair competition at Dickinson College on Wednesday, May 25th.
