<u>GNA Cyber (K-12)</u> Edgenuity	<u>GNA Virtual (K-12)</u> Google classroom	<u>GNA Hybrid (K-12)</u> Google Classroom
Pre-developed curriculum based on PA Standards run through an on-line program called Edgenuity.	GNA virtual creates a diverse, interactive online learning environment which isn't confined to a one-size-fits-all classroom model prominent in traditional educational settings. Students will be provided with the option to learn from our teachers and staff here at Greater Nanticoke Area, in a virtual format. This will allow students to stay on course with their peers while completing the aligned Pennsylvania Common Core Curriculum of the Greater Nanticoke Area School District. Greater Nanticoke Area virtual students will develop the independent study skills that will benefit them throughout their academic careers. GNA will provide a strong support network from your neighborhood teachers, staff, and administration, while allowing you to work on your own time to complete and fulfill course assignments and requirements.
